## Analysis of the Crito

Unlike Plato's other works, Socrates took a more objective stance on , being optimistic about the knowledge coming from experts in a subject. Plato mempunyai kedudukan yang istimewa sebagai seorang filosof. According to the Laws, if Socrates had accepted Crito's offer, he would have exposed his accomplices to the risk of fleeing or losing their assets.

## Kriton by Plato (Πλάτων) (c. 428 BCE)

Und nun also willst du doch dem Versprochenen nicht treu bleiben? I say, therefore, do not on that account hesitate about making your escape, and do not say, as you did in the court, that you will have a difficulty in knowing what to do with yourself if you escape.
