Rubin For an important validation of my take on the conduct of the human animal! Rabbi Israel Belsky vulgarly bristled when asked for comment by this reporter. Cassuto, like all the other Jewish professors, was dismissed from the University of Rome with the Racial Laws in 1938. The Agudath Israel representative also suggested that in-formation elementary schools qualify as well as already established ones; and that an age requirement for students at exempted pre-schools be clarified in the language of the rule.
