Unreasonable doubt : circumstantial

evidence and an ordinary murder in New Haven : Thompson, Norma, 1959

Through real-world drama and literary reflection, it shows us that there is more to politics than power - and more of value to be found in the humanities than we may have supposed. In a compelling tale of contrasting rhetoric, Thompson takes readers into the courtroom to hear a streetwise convict verbally sparring with the D. In a compelling tale of contrasting rhetoric, Thompson takes readers into the courtroom to hear a streetwise convict verbally sparring with the D.

Unreasonable Doubt: Circumstantial Evidence and an Ordinary Murder in New Haven (Hardcover)

Blending personal memoir, social analysis, and literary criticism, she addresses the evasion of judgment she witnessed during deliberations and relates that evasion to contemporary political, social, and legal affairs. Deliberations were buffeted by crosswinds of common sense and strong emotion. Access may be limited to ProQuest affiliated libraries.

Unreasonable Doubt: Circumstantial Evidence and an Ordinary Murder in New Haven

She even admits when she screams at another juror. But some jurors were not convinced, and the taint of reasonable doubt led one of them to question the very future of our legal system .

Gleaning insights from an imaginary jury of Tocqueville and Plato, Jane Austen and William Faulkner, among other writers and thinkers, Thompson shows how confrontation with the works of such authors can help model more proper habits of deliberation. If you want a non-mystery we can order it in or ship it directly to your house through Ingram. She also contrasts this ordinary murder with the concurrent brutal stabbing of a Yale student, a case that attracted considerably more police and media attention.

Unreasonable Doubt: Circumstantial Evidence and an Ordinary Murder in New Haven (Hardcover)

For many Americans, the civic responsibility of jury duty might seem an inconvenience; for Norma Thompson, it was a unique opportunity to bring her expertise to bear on the state of trial procedures in America today. Blending personal memoir, social analysis, and literary criticism, *Unreasonable Doubt* is a challenging book that deals squarely with the evasion of judgment in contemporary political, social, and legal affairs.
