The Communist Takedown of America

Among the peasants, this new class called Kulaks accumulated disproportionately large amounts of wealth through merchant trading and small capital practices. Chinese government-sponsored Confucius Institutes are being set up on college campuses in agreement with college administrations, purportedly as a way for American students to learn more about Chinese culture.

Propaganda in the United States

There exists a massive array of powerful organizations in the United States working to build up Communist China — and especially its economic and military power. According to Glenn Garvin writing in Reason, this role was exposed in a movie on Amazon Prime called Mr.
