Research Fellow

August Reinisch - University of Vienna Austria Prof. Our goals include providing a worldwide vision of higher education, promoting academic exchange and developing effective networking and collaboration among university leaders. The Rector of the University shall be appointed by the Secretary-General of the United Nations in conformity with the following procedure.

Rector (Under

IAUP is the only external organization to manage this joint commission with the United Nations, and commission delegates are appointed by IAUP President. Oliver Landwehr - United Nations Office Vienna Johann Ruben LeiÃ - University of GÃttingen Matthias Lippold - University of GÃttingen Prof. Ernst Martens - Foreign Office Berlin Prof.

University of Minnesota Human Rights Library

The Institute began operations in 1985 in Helsinki, Finland, as the first research centre of the United Nations University. It shall endeavour to alleviate the intellectual isolation of persons in such communities in the developing countries which might otherwise become a reason for their moving to developed countries. The Rector shall, inter alia: a Submit the plan of work and the budget estimates of the University to the Council for its consideration and approval; b Direct the activities connected with the execution of the research and training programmes and authorize the expenditures provided in the budget approved by the Council; c Appoint the personnel of the University in accordance with article VIII, paragraphs 6 and 7 below, following procedures approved by the Council, so as to ensure the highest intellectual and moral quality of that personnel; d Direct the staff of the University; e Set up such advisory bodies as may be necessary, including where appropriate representatives of interested United Nations organs and agencies, and of public and private organizations particularly concerned with the activities of the University; f Make arrangements with governments and international as well as national public and private organizations with a view to offering and receiving services related to the activities of the University; g After consultation with the Chairman of the Council and subject to the provisions of article IX below, accept, on behalf of the University, voluntary contributions and gifts to the University from governments, international and national organizations, foundations and other non-governmental sources, for all purposes related to the activities of the University; h Coordinate the total research and training programmes of the University with the activities of the United Nations and its agencies and, so far as possible, with research programmes of the world scholarly community; i Report to the Council in accordance with the rules of procedure on the activities of the University and the execution of its plans of work; j Provide the necessary services to the Council.

From the charter of the united nations university

Wolfgang Stoeckl - United Nations New York Prof. The research programmes of the institutions of the University shall include, among other subjects, coexistence between peoples having different cultures, languages and social systems; peaceful relations between States and the maintenance of peace and security; human rights; economic and social change and development; the environment and the proper use of resources; basic scientific research and the application of the results of science and technology in the interests of development; and universal human values related to the improvement of the quality of life.

Rector (Under

The Rector is appointed by the Secretary-General of the United Nations after consultation with the Director-General of UNESCO. There are 10 basic principles to be supported and advanced by the commitment of member universities see end of article.
