Additionally, the circle and oval tabs are impossible to tell apart when the book is closed. Hearts accent each scene, but the theme of the project is never in any doubt.

I SPY Little Numbers by Jean Marzollo

Walter Wick is the photographer of the bestselling I Spy series as well as the author and photographer of the bestselling Can You See What I See? Although most in the audience will not be able to count to 100, the pictures still give them a sense of the relative quantities in a fun and interesting way. A sweet but standard-issue Christmas read. This colorful, tactile French import introduces children to numbers and counting.

Little Numbers book by Edward Packard

He lives with his wife, Linda, in Miami Beach, Florida.
