Bonsai by Edith Tiempo

Trust the timing of your life, I always tell myself. Including topics such as, growing, bed time, saying no, ice cream, and sitting on your favorite stair. I was never a lover of poetry, though I think had I been exposed to more of it growing up I would be.

Here's a Little Poem: A Very First Book of Poetry by Jane Yolen

This book also includes poems about things children can relate to; for example, having a brother. . Ten Little Indians had a similar effect.

Here's a Little Poem: A Very First Book of Poetry by Jane Yolen

The pictures are cute and the poems are rhythmic and memorable. I'm still trying to figure out how to say this: The thing I like best about short story collections by a single author , if they're written well and compiled well, is the feeling I get, after reading each story, of comprehending an intimate secret the author needed me to understand. She was his passive and active.

Read a Little Poem

The art is beautiful and engaging and the poems are short, sweet little things, just right for my preschoolers. I can still hear them crying out for help. This is Alexie's PERFECT short story collection.

Bonsai by Edith Tiempo

Polly Dunbar's illustrations are both charming and captivating--little's favorite is the Ricketywick train. I took an axe to a salmon 38to see how it leapt. It can also set a routine for morning time and bedtime.

Poetry By Heart

This book also includes poems about things children can relate to; for example, having a brother. I do too, laughed the old man.
