United Kingdom Of Great Britain And Northern Ireland

And one of the most important legacies of that era was the adoption of the Latin alphabet for writing in English, and Irish, and the beginnings of a local literature. British withdrawal from the Canal Zone was completed by 22 December, and the pound returned to its pre-crisis parity with the dollar by January 1957, but not without very nearly losing its value as an international reserve currency. Germany, France and Italy were fully re-engineered with all electric rail lines.
