Lani Guinier's fascinating book is a prophetic intervention into a public conversation we desperately need to rejuvenate. In a political system, she argues, fair play means that the rules encourage everyone to participate. And many details about how her remedies would work remain unclear.

**The tyranny of the majority : fundamental fairness in representative democracy : Guinier, Lani : Free Download, Borrow, and Streaming : Internet Archive**

As far as Tocqueville could see, there were no barriers against the absolute sovereignty of the majority. May contain limited notes, underlining or highlighting that does affect the text.

## tyranny of the majority fundamental fairness in representative democracy

The remedies Guinier advocates for diluted minority voting rights do not include laws that guarantee election outcomes for disadvantaged groups, as some critics claim. First, even in democracy, the rulers were not always the same sort of people as the ruled.

Fantasy, Fiction**

In a book that is ultimately both aspirational and inspirational, Guinier and Torres envision a recommitment to social justice that promises not only to revitalize the civil rights movement in America but to transform democracy.

**9780029131695**

These essays reveal keen powers of analysis applied to some of the most obdurate problems that bedevil electoral politics.

**Review of Lani Guinier's *The Tyranny of the* by Burke Marshall**

Keynote Address, Annual Gamble Lecture, University of Massachusetts Department of Economics October 24, 2003.
