The majority of the children were from the streets of London, but originated from all over Great Britain. Just like the Cornish women and children who waited for mail from South Africa, thousands in South Africa now await money from their emigrants around the world. They took up some posts in the civil service in West Africa, although the senior posts were always taken by British officials.

The Boers also felt that the native Africans were inferior and should be treated as slaves. Originally migrating to the western Cape around the first millennium AD, the Khoi differed from the amaXhosa and other Bantu-speaking groups of the eastern Cape due to their lighter skin color, unassuming physique, and seemingly anarchic social and military organization. If critics in Britain had been fully cognizant of
