זאב לקויר

Journal Information International Affairs is Britain's leading journal of international relations. In the 1950s, Borkenau was well known as an expert on and the.

Totalitarianism

In a series of articles published during 1933—34 in the left-wing German language émigré press, Borkenau defended the Neu Beginnen group as the superior alternative to both the SPD and the KPD. Such regimes had initial origins in the chaos that followed in the wake of , at which point the sophistication of modern weapons and communications enabled totalitarian movements to consolidate power.

Revolution & Reality, Essays on the Origin and Fate of the Soviet System

The title of the work is M. But a totalitarian regime does much more.

Revolution & Reality, Essays on the Origin and Fate of the Soviet System

On the basis of his method, during January 1953, Borkenau predicted that Stalin's death would occur in the near-future Stalin died later in March. » Could it be that his co-editor included the eleven offending lines in the text without his knowledge? What was the significance of the general strike in October and the Moscow uprising in December? For one thing, a few historians have produced fairly sophisticated studies to buttress the Party line on important aspects of the Revolution. We will be explaining the collapse of the Provisional Government and asking what it was that mobilized the masses behind the call for Soviet Power in October 1917? » The Bolsheviks also « tended to suffer from a propensity for revolutionary phrase-making in hardly less a degree than the Mensheviks.
