## Lautréamont and Sade

An imagined portrait of Lautréamont by in The Book of masks from 1898. In 1940, Breton incorporated him into his Anthology of Black Humour. On 10 November 1868, Ducasse sent a letter to the writer , in which he included two copies of the first canto, and asked for a recommendation for further publication.

## Comte de Lautréamont

They look into each other's eyes for some minutes, each astonished to find such ferocity in the other's eyes. Azon, in gu Poésies vergumvelt, va toloyi nevaki ke abdueneva dere sanegar, ke abdueneva ta enidafa vox meviele sutetena neva. And it said to me: 'Beware, look to your safety, for you are the weaker and I the stronger.

## Comte de Lautréamont

Belgian surrealist René Magritte drew a series of full-page illustrations and vignettes in a caricatural style for a 1948 edition of Les Chants de Maldoror that can be found here at Rauner. On 19 July 1870, declared war on Prussia, and after his capture, Paris was on 17 September, a situation with which Ducasse was already familiar from his early childhood in Montevideo.

## Comte de Lautréamont (Author of Maldoror and the Complete Works)

Last modified 15 July 2007. Mivel az ostromlott városban tartani lehetett egy járvány kitörésétől, Ducasse-t másnap temették el a Notre Dame de Lorette-ben tartott szertartás után a félreeső Cimetière du Nord temetőbe.

## Comte de Lautréamont

In 1966 his first novel Hard Rain .... Night was beginning to spread the blackness of her veil over nature.
