A large part of her findings was published by the Madras University and became valuable reference material for many scholars of Pallava history around the world.

ABOUT ME

It is one of the metropolis of India and serves as the gateway of the culture of South India.

Chennai to MadrasHome home

I revelled in his warmth of heart and kindness. Although some critics expressed concern as to the propriety of an institutional response to mental illness, they formed a small minority.

Madras High Court Tel : 91 - 044 - 25301000 © Content Owned, Updated and Maintained by Madras High Court. She made several attempts, though not with particular success, to excavate the Pallavamedu in Kanchi, where she found huge bricks approximately the size of the Mohenjadarro bricks.

Updated Chennai Expat and NRI Handbook and Survival Guide

In Attirampakkam, archaeologists from the Sharma Centre for Heritage Education excavated ancient stone tools which suggests that a humanlike population existed in the Tamil Nadu region somewhere around 1,000 years before homo sapiens arrived from Africa. Thank you for your understanding. Studies of homeopathy in India have focussed on a process of Indianisation.
