Personality Yongbi is an outwardly jovial, carefree and perverted person with a distinctive penchant for alcohol and money a trait he shared with his steed. The mechanism was largely adapted from the ChiLong but with some slight changes that looked more like a modern speedcube, and less like an old budget cube, however the edges looked very basic as seen on the ChiLong. Although never setting any records, it was a beginner cube.

Yongbi

The plastic feel was very unique due to the primary internals, feeling very unique compared to previous YJ flagships. After finding out that survived the battle at Yogok Gorge, he would rather hide his consciousness deep within than face him.

It was praised for the strong magnets and fast feel. Although it was relatively popular, it never became a top speedcube.

Yongbi

Later as a bounty hunter in the murim, Yongbi uses a staff and sword as his weapons. YJ RuiFu Released October 2018 as part of the 'Rui' line of budget cubes. It is considered the only good 4x4 YJ have released thus far.
