## Platypus Nikolai Bukharin on the life of A. A. Bogdanov

Die verschiedenen gesellschaftlichen Prozesse werden bei ihm auseinandergenommen und in anderen Wissenschaften untersucht. Nachdem er 1907 das Gymnasium mit ausgezeichneten Noten abgeschlossen hatte, studierte er an der Universität Moskau Wirtschaftswissenschaft.

## I.P. Pavlov vs. N.I. Bukharin: The critical mind and the arrogance of power

Die Mehrheit der war nicht dieser Meinung. The might of the proletarian state found its expression not only in the fact that it smashed the counter-revolutionary bands, but also in the fact that it disintegrated its enemies from within, that it disorganized the will of its enemies.

## N.I. Bukharin's Last Plea

Before the imperialism, the world was economically and politically multipolar. The severest sentence would be justified, because a man deserves to be shot ten times over for such crimes. But his theoretical views can with only the greatest reservations be regarded as fully Marxist, for there is something scholastic in him.

## Nikolay Bukharin

There was nothing to die for, if one wanted to die unrepented.
