Nepal Constitution has progressive provisions for women

Why are women's gender issues so persistent? This affects the ability of duty-bearers in fulfilling these rights.

Nepal Constitution has progressive provisions for women

Therefore, education is essential for women for the smooth functioning and organizing of homes. This reduces their ability to demand fulfillment of their rights to education, health and protection.

Nepal

Residents were not prepared for the flood, Sarita Kumari Giri of Barmajhiya in Saptari District of Eastern Nepal realised. With the same argument, Nepali women have been treated unequal.

Nepal Constitution has progressive provisions for women

. In the five months the inspector had worked in Butwal, he had never located anyone as a result of sending such a letter.
