Armageddon: The Album

Blessed is the one who stays awake and remains clothed, so as not to go naked and be shamefully exposed. .

Armageddon (1998)

According to Bruce Joel Rubin, writer of Deep Impact, a production president at Disney took notes on everything the writer said during lunch about his script and initiated Armageddon as a counter film at Disney.

Armageddon, the musical (Book, 1991) [styleguide.expo.io]

I bought the album in 79. If you ever find a tape or CD please let me know.

Armageddon, the musical (Book, 1991) [styleguide.expo.io]

Caldwell's manic heavy Motorhead style drumming adds even more excitement, with Cennamo, surprisingly, being just functionary.
