devastating injuries can result.

Can hospitals turn away patients?

The PPACA mandates that the Department of Health and Human Services establish a voluntary self-referral disclosure protocol to allow providers to report alleged violations of the Stark law. Similar blocks to the sustainable growth rate cuts were enacted in 2010 and the years prior, meaning future reductions are steadily growing as Congress delays the cuts.

Problems in hospital law (Book, 1990) [styleguide.expo.io]

The facts of each case would determine whether this could be done.
