A Guide to pay equity for the broader public sector : a job evaluation system. : Book, Regular Print Book : Toronto Public Library

Education Education refers to the training necessary to prepare an individual to satisfactorily fill a position. This response from an employee interviewed back in 2005 regarding pay and employment equity in our sector is not uncommon. The issue of pay and employment equity in our sector is therefore worth looking at more deeply.

Proxy Comparison Method

This factor is closely associated with the following one for Experience. Pay Equity and Wage Justice - Carol A.

A Guide to pay equity for the broader public sector : a job evaluation system. : Book, Regular Print Book : Toronto Public Library

The Gender Pay Gap Quarterly Employment Surveys produced by Statistics New Zealand show that women continue to earn less than men for doing the same work. As a sector we must start to make more visible the real value of the work done in the sector, work that is complex, highly skilled and mostly done by women. Implementing pay and employment equity across an organisation will help increase the diversity of the workforce at all levels.

Proxy Comparison Method

It does not mean that a designated amount of formal education is an absolute necessity. Skill 56% of final grade Complexity - Judgment Measure of variety, difficulty and decision-making aspects.

To apply for an Order to use the proxy method, an organization must notify the Commission by completing and submitting a form. Consider the extent of losses to the organization which may result from mistakes occasioned by insufficiently considered decisions or judgments.

Request for Proposal (RFP) Abstract: Pay Equity / Job Evaluation

Should this occur, please return to the MERX home page and log in to MERX again. The successful Proponent will assist in the development of a revised pay equity plan according to the Terms of Reference Regarding Job Evaluation between the University and CUPE 2424.

Proxy Comparison Method

However to simply use this as a focus for valuing the work of the sector potentially does the sector a disservice.

Job Evaluation

In June 2008, women earned 87.
