### Description: Sūrat Yūsuf (XII) and Some of Its Possible Jewish Sources

If he is weak in his religion, he is tried according to his strength in religion.

### Description: Sūrat Yūsuf (XII) and Some of Its Possible Jewish Sources

It can also be noted that at 12:32, unlike the first time when she was caught chasing Joseph, Zulaykhā admits her wrongdoing.

### Laṭā'if al

With the lower self thus conquered, the soul is able to rise to the most beautiful stature 95:4 in which it had originally been created. I have used the Arabic text for the Sunan from Maktabah Shānilah and corrected any typographical errors based on the Bushrā print. To get to Paradise, we must assist each other in recognizing the truth and being patient upon it.

### What is Tafsīr al

*Ta'wīl indeed refers to the process of interpretation, but it literally denotes the idea of taking something back to its origin. So instead of not reading Tafsīr at all for a day, try reading for half an hour or at least twenty minutes.*

### TAFSĪR DI SŪRAT AN

*One will read selections of this text, focusing on the beauty and eloquence of the language while being exposed to a multitude of style and diverse structure.*

### Tafsīr Sūrat Yūsuf / li

*Each phase of life is a trial through hardship, a trial through temptation, or a mixture of both. It should here be noted that there seems to be a sense in which Potiphar, who represents insight, is related to Jacob, or intelligence.*
