The first of these buildings was designed by Cassels, the other two by Sir William Chambers. The future prime minister managed to wind it down with minimal political and economic damage, although some losers fled to exile or committed suicide. As Froude wrote: 'In the last century Ireland had an intellectual life.

Louisiana architecture, 1714

It was very fash- ionable for a time but declined after the Union.

BRITISH HISTORY

This stone structure, with its elegant frontage of 300 feet, consisting of a central portion in the Ionic style, surmounted by a tower and elongated

into two wings, is one of the most beautiful, though curiously enough least-noticed buildings in Dublin. When young she had been a belle at Lord Chesterfield's Court while he was Viceroy of Ireland in 1745-6.
