reducing the small kingdom to a vassal state of the empire.

**Just like America, China is building a multi**

There are also dreams about a white church, satanic church, empty church or church full of people, etc. But Wu had come too far to be outdone

by a few omens. Ironically, China's near absolute sense of security over both provinces is the greatest hope for a Chinese glasnost: China no longer faces any meaningful resistance to its rule and so some day may lighten up.

### **This Is Madness**

Jain merchants came from Rajasthan and built beautiful mansions along the river, homes paid for with the profits from silk, among other things.

### **Chinese Superstitions**

Dreaming of a priest in a church. I heard the wind and the distant ding-ding of a bicycle bell.

### **Chinese Superstitions**

Spiritual Tibetans have long looked south to Nepal and India for their cultural underpinnings, and in the 18th century Tibet was allowed a functional autonomy from China, a model the current Dalai Lama has proposed. Red looks at the rosebush.

### **This Is Madness**

Cognitive scientists recognise two broad modes of thought — a fast, automatic, relatively inflexible mode, and a slower, more analytical, flexible one. A thick fog envelops the town; it's eerily quiet.

### **Warrior Cat Clichés**

As the society becomes more unequal, the cycle enters a more destructive phase, in which the misery of the lowest strata and infighting between elites contribute to social turbulence and, eventually, collapse. Aziraphale knows it has something to do with the fire in his bookshop, but that's as far as he's gotten Crowley to divulge.
