Energy and Geopolitics

To this end, the allies consult with one another and partner states, share intelligence, and take counsel from relevant international organizations in the field.

Foreign Policy's Best Stories of 2020 on Energy and Climate Change.

The Globalization of World Politics. Working Paper 280, Brighton: Institute of Development Studies. In the long-term, however, African countries have a unique opportunity to leapfrog the fossil-centred development model despite recent discoveries of oil and gas.

Geopolitics of Energy

This content was originally written for an undergraduate or Master's program. The shift would cut import bills and promote sustainable development, and increase their resilience.

The New Geopolitics of Energy
