## **Sweat and Blood: A History of U.S. Labor Unions**

In the late nineteenth century more industrial accidents occurred in the than in any other industrial country.

### **Labor Unrest in the 1920s**

Chao immigrates to the United States aboard a freight ship.

### **Independent Lens . CHINA BLUE . Learn More**

In contrast with other elites, the labor leaders did not come from established families with rich, well-educated backgrounds. By 1920, half of all Americans lived in growing urban neighborhoods, and for many of them chronic unemployment, poverty, and deep social divides had become a regular part of life. His labor career is interrupted by a stint in the Navy during World War II.

### **The History of Unions in the United States**

Economic Hardship After WWI came to a close, unionists banded together to demand wages that were representative of the postwar inflation economy. The precedent was solidified in 1721 by , which found guilty of a conspiracy to raise wages. Sinclair reportedly lamented, I aimed at the publics heart, and I hit it in the stomach.

### **Child Labor**

The self-interest of labor unions in this anti-capitalist crusade has always been transparent: Unions cannot exist without somehow prohibiting competition from non-union labor, whether that labor is at home or abroad. Debs, won 897,000 votes in his run for the presidency in 1912 and more than a million votes for president in 1920, while he was in prison after being convicted of sedition during World War I.

**Sweat and Blood: A History of U.S. Labor Unions by Gloria Skurzynski**

After 1945 they took their crusade worldwide.

### **African**

It includes a number of safety provisions to modify the Mine Safety and Health Act of 1977, including requiring mines to provide more updated accident contingency plans and to train miners to survive emergency situations.

### **Labor Union Definition**

Nearly all the strikes ultimately failed, forcing unions back to positions similar to those around 1910. Organized unions and their umbrella labor federations such as the and citywide federations have against a backdrop of changing values and priorities, and periodic federal government intervention.
