The Flame: D'Annunzio, Gabriele: Amazon.sg: Books

The first book to address critically all major genres in which d'Annunzio expressed himself, it is also the first work to examine within a unifying perspective d'Annunzio's seminal importance in the development of modern Italian poetry. The creative moments of the poet work a little bit, but I am hardly convinced that he is some kind of great artist. The events take place in Venice over the roughly six-month period preceding the death of Richard Wagner on February 13, 1883 at Ca' Vendramin Calergi, a palazzo on the Grand Canal.

The Flame (novel)

In the genre of trade biography, name authors tend to favour sensation and eschew any whiff of the academic.
