## Reef Aquarium Fishes : 500+ Essential

If you're just getting into the saltwater hobby then this book should be one of your first purchases. This is broken down into the overall hardness of the animal, how it will most likely interact with each of LPS, SPS, Soft corals and motile invertebrates such as shrimp and snails. You can't absolutely trust the kids that work in fish stores for advice.

## A Pocketexpert Guide To Marine Fishes 500 Essential To Know Aquarium Species PDF Book

The author, Scott, chose fish that are most often seen and kept by saltwater hobbyists. This volume also follows the pattern of the previous work by offering practical husbandry requirements for each species discussed and a consistent set of criteria, both of which make it very useful for those considering acquiring a specimen. China and Japan and many other nations should be forced to stop doing illegal fishing and killing animals just for their own satisfaction.
