Our Sunday Visitor

In this light it seems wrong to call it an enjoyable novel, but reading the letters of a man who realises that he could have seen things differently and who manages to shake off much of his emotional burden was engaging to be sure. To penetrate beyond the absurdities, the vices, and, above all, the stupidities of human creatures, one must possess the secret of a love which the world has now forgotten.

Vipers' tangle : Mauriac, François, 1885

Our Sunday Visitor

A brilliant and successful lawyer lays dying. Despite his poor health, he travels to Paris and finds his son and son-in-law trying everything to thwart his plan. He writes an account of their life from HIS point of view, bien sur! Solidly bound copy with moderate use.

Catholic Lit for Lent: Mauriac's 'Vipers' Tangle'

I thought it was interesting how much this money controlled his life.
