Spain has two months to comply with the reasoned opinion, failing which the Commission may refer the case to the European Court of Justice.

## Common Security and Defence Policy

Originally tasked with helping provide security in and around Kabul, ISAF has subsequently been authorized by a series of UN Security Council resolutions to expand its presence into other regions of the country to extend the authority of the central government and to facilitate development and reconstruction. In an effort to urge Greece to speed up its actions in this area, the Commission is taking Greece to the EU Court of Justice, on the recommendation of Environment Commissioner Janez Potočnik.

## NATO Topics: NATO's relations with the United Nations

However, the existing planning framework in Lazio is not yet in line with EU legislation. The Czech Republic has failed to inform the Commission about the implementation of this legislation, which was due by November 2009.

## Infringement Cases

In September 2008, building on the experience of over a decade of working together, the Secretaries General of the two organizations agreed to

establish a framework for expanded consultation and cooperation. However, I found billboards and posters on the walls near the entrance of the city with emergency phone numbers to report any explosive remnants of war. If Germany fails to adopt and communicate the necessary legislation within two months, the Commission may refer the case to the EU Court of Justice and ask for financial penalties.

### **Infringement Cases**

The Member States concerned are France, Hungary, Luxembourg, Latvia, Slovenia and Slovakia. At the recommendation of Environment Commissioner Janez Potočnik, it has therefore decided to issue a Letter of Formal Notice under ongoing infringement proceedings.

### **EU mine action and victim assistance across the globe**

The lack of adequate treatment systems, which should have been in place since 1998, poses risks to human health, to inland waters and the marine environment. The European Union Series Paperback 630pp ed. In the Commission's view, the construction of a proposed power plant would cause a serious deterioration in the quality of the river, which is one of the longest undisturbed rivers in the region.
