## Home

At any time, the USG may inspect and seize data stored on this IS.

## Home

For questions or information about prior authorizations, the following resources are available on the eQHealth Website at , under the Behavior Analysis Tab. The Secure Web Portal Maintenance Quick Reference Guide contains detailed step-by-step instructions on how to perform these actions.

## Home

Health plans should submit attestations electronically via the Health Plan Attestation panel found in the new Florida Health Plan Portal.

## Home

New automation enhancements are being made to the public and secure Web Portal. Any eligible initial claims submitted on or after May 26, 2020 will apply the newly implemented logic.

## DoD Foreign Clearance Guide

Effective August 1, 2018, fee-for-service paper claims will no longer be accepted. These items cannot be altered once an Application Tracking Number ATN has been assigned.

## DoD Foreign Clearance Guide

Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose. However, fee-for-service exceptional and out-of-state paper claims will continue to be accepted.

## **Home**

Available now is the updated Secure Web Portal Maintenance Quick Reference Guide. The correspondence includes detailed information on why a provider was placed under such a restriction, including contact information for questions related to the action. To receive assistance with the Web Portal, please contact the Provider Services Contact Center, 1 800 289 7799, option 7.

## **DoD Foreign Clearance Guide**

Staff is available 8:00AM — 5:00PM Eastern Time. UNCLASSIFIED For comments, suggestions, or additional questions, please contact the DoD FCP via e-mail at or call at 703-614-0130. Prior Authorizations: eQHealth Solutions is the Quality Improvement Organization contracted with the Florida Agency for Health Care Administration AHCA to provide utilization management, including prior authorization of behavior analysis services provided to Medicaid recipients in the State of Florida.
