SSA Consultants: Developing the next generation of business leaders

Within each of these goals are a series of over-arching strategies and specific, measurable objectives which contribute to its completion. If getting started is the most important step, then establishing the frequency and rhythm of your program is a close second. OACP has stepped in to fill this gap and ensure our Police Chiefs and management personnel receive the best training possible to maintain the highest standards of excellence.

Strategic Plan

We educate legislators, lobbyists and the public on potential impacts of bills under consideration. While there is general agreement in the family business literature about the importance of next-generation leadership, there is a lack of rigorous research on how future leaders are developed in family firms.

Developing Our Next Generation of Leaders

One of the missing keys or improperly misunderstood tools is discipleship.

Developing The Next Generation Of Leaders

Learning from mentors and colleagues has helped me grow personally and professionally. Excerpt taken from SUMS Renix 141-1, released February 2020. The fellowship program kicks off in July as part of the AHA Leadership Summit.
