Karma Theory

Кармичке последице, и добре и лоше, покрећу, које људе задржава у току самца. In the Epic, free will has the upper hand.

Queer Anthropology

Постоји тамна карма са тамним последицама, постоји сјајна карма са сјајним последицама, постоји тамна-и-сјајна карма са тамним-и-сјајним последицама и постоји карма која није ни тамна ни сјајна са ни-тамним-ни-сјајним последицама, која води до исцрпљивања карме.

Karma: Hindu and Jain Concepts

Homosexuality as a subject of anthropological inquiry. Palo Alto: Stanford University Press.
