Populist Origins - The Farmers' Alliance The People's Party had roots in the organization of the nation's farmers. Radicalized by railroad monopolies, corrupt government, recurring drought, heavy mortgages, and a desperate combination of rising costs and falling returns, prairie farmers were turning their energy toward raising less corn and more hell.

A Prairie Populist: The Memoirs of Luna Kellie by Jane Taylor Nelsen

Farmers and other ordinary citizens needed to gain mastery of how the machinery of modern society worked, because only then would they have the power to move the levers of that machinery so that it better served their needs. Populist literature, for example, occasionally employed the anti-Semitic stereotype of Shylock to stand in for the greedy banker.
