He said the aria I was playing from Bach's Goldenberg Variations revived him by reminding him of the larger picture. If our work brings you any hope and a sense of belonging, then please consider supporting our labor of love with a donation. I am one of a new breed, a hospital musician.

Documentary Conversations with Yehudi Menuhin

Pam was the violin lecturer at the University of Otago and, I suppose, the leading violinist in Dunedin.

Conversation with Menuhin

Apparently, I then saw the great playing the violin on Sesame Street when I was about 5.

Conversation with Menuhin

Without being a model of polished execution, this live performance is carried along by its vibrancy and a palpable joy in making music. He also talks of music, of favorite composers and of star performers and conductors he has known, though there are few surprises here, and most of the comments are such as any educated music lover could make.

Conversation with Menuhin

He was actually a pupil of the famous teacher Ivan Galamian at the Juilliard School.
