How to Have a Healthy Natural Pregnancy

The tone is very encouraging, too, which this first time mama definitely appreciates! But even moms who know natural birth is best, and know nature designed their bodies for it, have questions: I know these questions well because I've had seven babies, and some variation of these comes up during every pregnancy! We all know a mom who just waltzed into the delivery room and had a fabulous experience, no prep needed. She and Marc successfully teamed up on many similar cases to yours and we feel good about him helping you get results.
