But these strategies are also fraught with risks in the harsher competitive environment for private banking, particularly when costly acquisitions are needed to establish an onshore presence notably in the EU. Empirical evidence on how government agencies in emerging economies go about this contemporary approach and issues affecting these practices is limited. A police spokeswoman said authorities believe that several dozen attackers took part.

In Africa, only the tiny Mauritius, Rwanda, Burundi, Seychelles 70 and Sao Tome and Principe 72 are ahead. Furthermore, the unusual exception to the Banking Act of allowing nonfinancial companies to take deposits from employees should be withdrawn. Reforms include different board structure, robust performance management and stronger committees.
