Replacements Ltd

The Gas City branch produced machine made kitchenware, and dinnerware in colored glass through the 1930s. Intricate patterns, uncommon objects, pink and green pieces, and well-kept items are generally more valuable. Cover has no visible wear, and the dust jacket if applicable is included for hard covers.

Identify Vintage U.S. Tiffin Satin Glass

Right away I identified one of my sets of stemware. Other advancements such as uranium glass were crafted throughout the 1930s before falling out of popularity during the Cold War. Fostoria, in business 1887 to 1986, was among the premier crystal and glass companies and well known for depression glass and crystal.
