**Five Lessons Ben Hogan First Edition
Signed Rare Golf Book**

Keep them pressed together as you begin
to affix your grip, and maintain this airtight

pressure between them when you fold the right hand over the left thumb. In order to get a check on the ball with backspin or to cut the ball up with a nice under-spin and to do many other things with the ball, the ball must be hit sharp and crisp, and you can achieve this only if the club is in the fingers of the right hand.

Getting back into it I wanted to find a resource that took a simple and direct approach to the golf swing. Frank Sadler Professional, Bellingham Country Club, Bellingham, Washington It's the first time words and illustrations have made golfing technique absolutely clear. I never write reviews but had to on this.

Five Lessons Ben Hogan First Edition Signed Rare Golf Book

While these tools are not without merit, any truly great golfer begins by mastering the basics. He did not win on the PGA tour until he was 28 years old. I want to stress again that intelligent application is required to learn the golf swing, but how self-rewarding this application is! It may seem that we have gone into unwarranted detail about the elements of the correct grip.

Ben Hogan's Five Lessons

Hogan wrote his classic instruction book in 1957 and declared in a 1985 interview that he would write it exactly the same way. The grip of the right hand, since it is the hand that does the overlapping, is more complicated.

Of the younger players today, Jack Burke gets his hands on the club very handsomely. I can now play a round without feeling embarrassed slicing tee shots into woods and I am not losing balls anymore. Few teachers would quibble with this advice today, but the grip demonstrated in the book is one to eliminate any chance of hitting the ball right to left.
