Why Study Ethics?

By attributing a divine origin to morality, the priesthood became its interpreter and guardian and thereby secured for itself a power that it would not readily relinquish. If they contribute substantively to the conceptualization, design, execution, analysis or interpretation of the research reported, they should be listed as authors.

Why Study Ethics?

As Albert Schweitzer felt himself carried upon the gentle currents of the Ogowe River, flanked by a family of hippopotami on the river bank, the sun setting at his back, Schweitzer was struck as if by revelation with an answer to his question of how a culture could be brought into being that possessed a greater moral depth and energy than the one we live in. With HPNA, AAHPM has an annual assembly for professionals.

What is Ethics?

It emphasizes on the appropriateness and wrong of movements, as well as the goodness and evilness of reasons and ends.

Enhance Customers Loyalty Loyal Customers Nowadays doing business, is not only providing services or selling products. Only through historical education as well as ethical education can we prevent horrifying events such as the Holocaust.

Integrity and Work Ethics Test

To serve as the most useful aid in challenging situations, The Code's interpretive statements provide specific guidance for practice. A deeper satisfaction lies in honoring universal ethical values, that is, values that people everywhere believe should inform behavior.
