Only The Workers Can Free The Workers: The Origin of The Workers' Control Tradition and The Trade Union Advisory Coordinating Committee (TUACC), 1970

Gregor Gall is Research Professor of Industrial Relations and Director of the Centre for Research in Employment Studies at the University of Hertfordshire. This new pattern was a direct result of a strategy by private sector employers to reduce union influence.

2000 Casualties. A History of the Trade Unions and the Labour Movement in the Union of South Africa by and Ben Weinbren Ivan L.

While the changing political economy creates a crisis of representation and repertoire for unions, it also opens up opportunities both inside and outside the workplace.

Congress of South African Trade Unions (COSATU)

Cosatu resolved to be politically active and to form alliances with political organisations, yet maintain its independence.

Many unionists were arrested or harassed, including , whose house was raided by plain-clothes security police on the first night of the emergency, 12 June 1986. Thus far the pollution control strategies of the Department of Water Affairs and Forestry have focused on the control of point sources of pollution and have largely ignored the impact of diffuse pollution sources.
