Emergency Rules

Summary: This article will focus primarily on the rescue and foster care issues.

War of Secession

The Department has been allowing coverage for these assessments via the Comprehensive Assessment code H2000 and wishes to clarify coverage, coding, and rate per assessment. Specifically, the adopted rule changes the frequency requirement for entering and signing progress notes from a monthly to a daily expectation within Appendix E facilities.

Proposed and Recently Adopted

The Department is waiving the Preadmission Screening and Resident Review PASRR requirement for Nursing Facility Services.

Medical Marijuana in Maine

With each new philosophical era of the institution came a new name. This adopted rule enhances safeguards and protections of client rights under the Bates, et al.

Maine State Legislature

The emergency rate increase and the Departments intended adoption of the increase following this routine technical rulemaking will benefit both providers and members and will further support the delivery of these critical services to those in need. In the 1930s, while institutions like Pownal State School continued to grow, many began to realize that changes were needed.
