Introduction to Lenin's Left

The Soviet form of organisation came into being in the spontaneous development of the struggle.

American Leftism: An Infantile Disorder

The former struggle has developed in all countries, apparently without any exception, as a duel between the Second International already virtually dead and the Third International. He was a bright speaker, making use of his great popularity in Perm and Motovilikha. If that is not immediately possible, they are not Communists.

Introduction to Lenin's Left

But this sophism consists in the ignorance of the function and «international» importance of the soviets, that Lenin attributes to mensheviks and centrists a little further he will attack the idealists, seeing them as the left-wing infants; and it is worth remarking that Italian left-wingers had defended at every step both materialism and determinism. One will readily agree that any army which does not train to use all the weapons, all the means and methods of warfare that the enemy possesses, or may possess, is behaving in an unwise or even criminal manner. In conditions of the mass strike movement in the U.

VI Lenin, 'Left

The agenda of the Congress was as follows: 1. In 1905, their decision to stay out of elections to the advisory parliament called by the Tsar in an attempt to avert the 1905 revolution was correct.

Introduction to Lenin's Left

It was the exceptional good fortune of the Bolsheviks in Russia to have had fifteen years for a systematic and consummated struggle both against the Mensheviks i

Left

Then, when it was 14 years to the revolution, Lenin's party had already learnt the main lines leading to the historical victory, and it was not the latter to teach them and to build up a theory; as it was only a verification, a grandiose and glorious one, but still a verification of a pre-existing doctrine, a disastrous and mortal one for all adversaries' doctrines.

Should We Participate in Bourgeois Parliaments?

Were our tactics correct or not? Perhaps in Britain, where there is no peasantry but where petty proprietors exist, this period may be shorter.

Left Wing Communism

But historical research enables us today to give the words of Lenin their right meaning: to achieve the brilliant result of dispersing with the force the elected Constituent Assembly, it was necessary a far more efficacious action than the ghastly one of those who would have urged the masses as follows: let all assemblies of the world be elected, what counts is not to vote, and not to set foot in the assembly! It is quite obvious that this experience is not applicable to present-day European conditions.
