Poem Analysis of Universal Prayer by Alexander Pope for close reading

Images of a Man of Science.

An essay on man. : Pope, Alexander, 1688

In a Letter to Mr. Otherwise the two editions are page for page.

Alexander pope s essay on man and universal prayer

Although morbid in theme, the poems serve distinct literary functions. This is, in truth, to divine, rather than to explain an author's meaning.

Alexander Pope's on JSTOR

To say that he reddened at every word of objection, and stared tremendous with a threatening eye, like the fierce tyrants depicted in old tapestry, was to represent his personal bearing and appearance in an offensive light. Occasion'd by his Intended Trans- lation of Homer.

An Essay on Man: Epistle I by Alexander Pope

Teach me to feel another's woe, To right the fault I see: That mercy I to others show, That mercy show to me.

Analysis of Alexander Pope's An Essay on Man

In retaining a grudge against those who wounded his self-esteem, Pope did not disdain to profit by their spiteful censorship. Warton had suppressed his authority, and Johnson had a proper mistrust of common hearsay. Another copy, without it, but as published, is included in the set.
