If you like to sew, for example, study words in your target language related to sewing, watch instructional sewing videos and talk with tailors who speak your target language. Take photos of things in your house and make them into flashcards, with the word in the language underneath. Paper flashcards work just as well as they ever did, but electronic flashcard programs like provide some great benefits.

How to learn a new language from home

Remember to review previous lessons.

8 Tips to Learn a New Language By Yourself at Home

Then consider using a language coach, finding an accountability partner or immersing yourself in the culture. Going to the kitchen and taking a break from your language lessons can be a language lesson in and of itself! Use quizzes and interactive activities to jazz up your sessions.

8 Tips to Learn a New Language By Yourself at Home

In this post, we provide you with a step-by-step guide on how to learn a language on your own. Journal of Education 173, 99-113.
