Start reading Vichy France and the Jews

During the Battle of Marseille, the French police controlled the identity of 40,000 people, and the operation succeeded in sending 2,000 Marseillaise people in the death trains, leading to the extermination camps. In the 1936 preface to the German edition of his book, Alexis Carrel had added a praise to the eugenics policies of the Third Reich, writing the following: The German government has taken energetic measures against the propagation of the defective, the mentally diseased, and the criminal.

Start reading Vichy France and the Jews

Vichy did, it is true, collaborate very closely with the Nazis in the deportation of seventy-six thousands Jews of France victims of the Holocaust.

Verdict on Vichy

This occurred through a series of consultations between Giraud and de Gaulle. Wavell in the Middle East, 1939—1941: A Study in Generalship. The main proponent of this view was Charles de Gaulle himself, who insisted, as did other historians afterwards, on the unclear conditions of the June 1940 vote granting full powers to Pétain, which was refused by the minority of

Vichy anti

The Vichy authorities did not deploy the Army of the Armistice against resistance groups active in the south of France, reserving this role to the Vichy militia, a paramilitary force created on 30 January 1943 by the Vichy government to combat the Resistance; so that members of the regular army could defect to the after the German occupation of southern France and the disbandment of the Army of the Armistice in November 1942.

The Final Solution Analysis in Eichmann in Jerusalem

The queues lengthened in front of shops. In July 1943 Free French sympathisers on the Island took control of the gold and the fleet once Admiral

Georges Robert departed after a threat from America to launch a full-scale invasion.

The French Vichy Regime

The Vichy French Metropolitan Army was deprived of tanks and other armoured vehicles, and was desperately short of motorised transport, a particular problem for cavalry units. The Germans, wanting to present a facade of legality, enlisted other Vichy officials such as as president, along with , , and. Our focus is understanding the elements which permit us to explain the survival of three quarters of the Jews who were in France, and what part Vichy played in this.
