## Drinking in America: A History

But he denounced prohibition as the most offensive reform of all.

## Drinking In America: A History by Mark Edward Lender, Paperback

The Washingtonians asserted that before anyone could find God, first they must become sober. Between 1930 and 1933, absolute alcohol consumption probably rose slightly, perhaps to just over one gallon per year.

## Review: [Untitled] on JSTOR

Like Benezet, they drew clear connections among drinking, personal moral decline and health complications, and social instability. But the law apparently had little impact, so in 1675 the Bay Colony established the post of tithingman.

## A Respectable Army: The Military Origins of the Republic, 1763

Strictures against individual tipplers could be severe. Most versions of the Pilgrim story pass over the beer crisis in favor of the traditional tales of Plymouth Rock and the first Thanksgiving. In this latter category, the first distinctly American whiskey was rye.
