The American delegate threatened to walk out over the question of the court's location, the French delegate objected to plans to bring charges of crimes against peace, the British fretted over the risk of German countercharges, and the Soviets refused to countenance a definition of aggression. Shinji Kidou's life, working as an employee at ORE Journal, takes a sharp turn after being pulled into the Mirror World by a Mispider.

Kekacauan Besar Makhluk Asing Iblis! Don't Enter Where Fridge Monster is In!! The Dissenting Opinion, as noted above, was not read at the Trial but was published in Japanese, first partially and later in full, as soon as the occupation ended in 1952, accompanied by a rather controversial title, Nihon Muzairon The Japan-Is-Not-Guilty View. His ideas were compelling, and some of them— such as those on the individual and the state — were later voiced by Shawcross in court, then reproduced in the Judgment. The Zectors appear instantaneously from the ZECT headquarters to the selected personnel so that they may transform into the respective Rider to fight any Worms in the vicinity.
