Review by: Sandor Lorand Many modifications and variations in psycho- analytic technique have been suggested in recent years. This is a milestone in Kleinian psycho-analysis, and includes contributions from among others Joan Riviere and W.

## **New Directions in Psychoanalysis by Paula Heimann, Melanie Klein**

This current production of the Kleinian school constitutes not merely a modification, but more, a deviation from the classical Freudian framework. However, in so far as he can tolerate the depressive position, it gives rise to reparative impulses and a capacity for unselfish concern and protective love.
