History of the World

Brown and Stentiford, 581 February 2 — President Truman sends a special message to Congress proposing a ten-point civil rights program, including an antilynching measure, abolition of the poll tax, a permanent fair employment practices committee, a Justice Department civil rights bureau, and the abolition of segregation in interstate commerce. Alleged US support for the junta is claimed to be the cause of rising in Greece during and following the junta's harsh rule. Finally, in August 1949, the National Army under Marshal launched an offensive that forced the remaining insurgents to surrender or flee across the northern border into the territory of Greece's northern Communist neighbors.
