## Lynne Rienner Publishers

In , Bosnian Serb forces separated the females from the men and then facilitated the rape of some women by their own male family members. The Oxford Companion to International Criminal Justice.

## Rape during the Bosnian War

Most girls in the trade were aged between 13 and 18 years. Similar to Cambodia and Bosnia, the very presence of the peacekeepers was argued to have led to an increase in prostitution and while there were investigations which resulted in some soldiers being expelled from the country, not a single one of them was actually prosecuted.

## v.9, 2011, Special Issue: Gender Equity in Higher Education

Kovač was cleared on one count of rape but found guilty on another.

## UW Women's Studies Assistant Professor Has Book Published

A report leaked in 1995 stated that Serb forces were responsible for 90 percent of the atrocities committed during the conflict.
