LA PUTA SUEGRA

La Puta Suegra is much more than an event organization agency, it is a pure lifestyle brand born to offer uniqueness in everything it does. One employee spoke english seeing we don't speak spanish and we had this bomb soup forget the name but it was composed of pork, a kind of corn topped with lime, raddish and lettuce in a red broth that was medium spice with a side of giant tortilla chips. Bésame Mucho: Through this initiative, we organize and design weddings for couples who are facing diseases in an advanced stage and without life expectancy.
